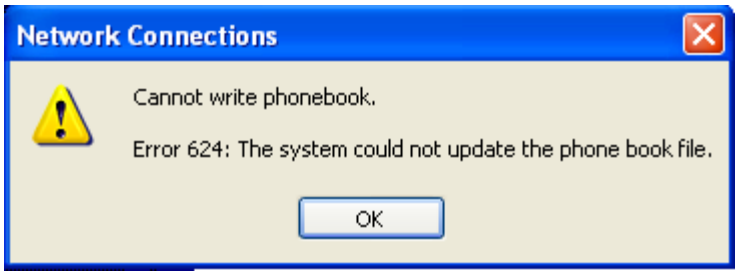
MF627 Windows Dashboard B09 Upgrade User Guide

Why Upgrade your MF627 USB Modem?

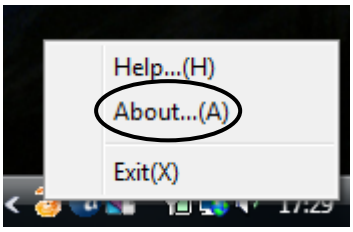
The latest version of Windows Dashboard provides a solution to the following issue



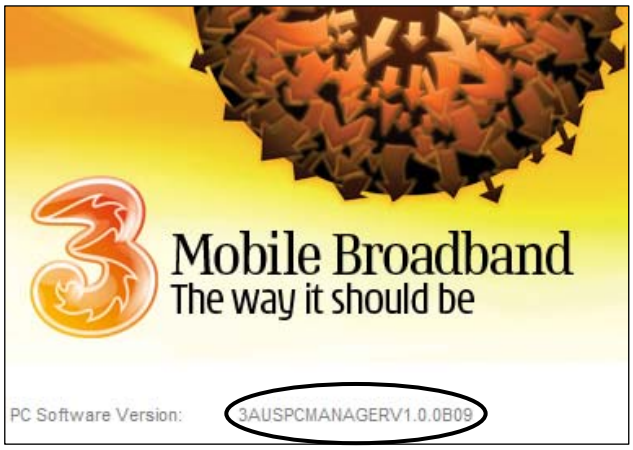
Check your current release to see if you need to upgrade your software:

- Right Click the 3 logo on the taskbar:

- Click “About”



- Check the release information at the bottom of the screen:

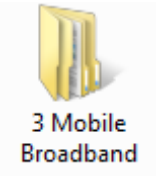


- B09 is the latest version. If you have version V1.0.0B08 you need to perform the upgrade.
- Please follow the steps below.

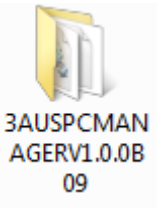
1. Download the Windows Dashboard B09 file ‘3 Mobile Broadband’

MF627 Windows Dashboard B09 Upgrade User Guide

2. Unzip the folder (extract) and save the contents to your desktop (or similar location)



3. Double click the folder to open:



4. Double click the 3AUSPCMANAGERV1.0.0B09 folder

5. Double click setup.exe to start the installation process

6. If the old version is on the PC ,then select Remove:
